For the health and safety of our staff, your pets, and other pets boarding with us, we require the following vaccinations and tests to be current. If not current, we will perform the required tests or vaccinations at your expense. The following highlighted items indicated are not current according to our records:

<b><u>Avian:</u></b> Annual Exam	<b><u>Ferrets:</u></b> Annual Exam	<b><u>Pigs:</u></b> Annual Exam	<b><u>Other:</u></b> Annual Exam
Polyoma Vaccine	Rabies Vaccine	Fecal Exam	Fecal Exam
Negative Chlamydia Test**	Distemper Vaccine	Erysipelas Vaccine	
Fecal Gram Stain	Fecal Exam	Lepto Vaccine	

\*\*A single negative Chlamydia titer is sufficient except in certain circumstances.

Please be advised that all pets boarding with us will receive a complimentary examination by a technician. The technician will record and you will be notified of results of this physical evaluation. If your pet becomes ill while boarding, or in an emergency situation, it may be necessary to administer veterinary care including medications or treatments. **All expenses incurred in treatment of the pet, will be the owner's responsibility and payable at time of pickup.**

It is best for most pet(s) (not pigs) to board in their own cage brought from home, and they should have their own food.

We have many blankets and towels available and they are generously given to our boarders for their comfort. To reduce confusion and lost items, please keep blankets and toys at home. Toys that are attached to cages for birds are fine. We cannot be responsible for lost or misplaced items. If you bring these items for your pet, they may not be returned to you.

### Check out times are:

Monday through Friday -----	3:30pm - 6:30pm
Saturdays -----	12:00pm - 1:30pm

*I have read the above guidelines and understand the fees involved in boarding my pet.  
I accept the above fees and conditions.*
